

AMERICAN ASSOCIATION OF
LEGAL NURSE CONSULTANTS

Products & Publications Catalogue

2005
Edition

Founded in 1989, the American Association of Legal Nurse Consultants (AALNC) is a not for profit membership organization dedicated to the professional enhancement and growth of registered nurses practicing in the specialty area of legal nurse consulting and to advancing this nursing specialty. AALNC is the preeminent resource for professionals with an interest in the legal nurse consulting arena including novice and veteran legal nurse consultants. AALNC provides networking opportunities, educational advancement, professional development and supports certification through the American Legal Nurse Consultant Certification Board (ALNCCB).

Textbooks

1. Legal Nurse Consulting: Principles & Practice 2nd Edition

In this second edition, LNC experts have brought this text to a new level of excellence. This is one of the most comprehensive publications available to the legal nurse consultant. This textbook is perfect for introducing a new LNC to the profession and is used by many colleges, universities and online programs as their core curriculum for instruction. This is also the ideal resource for the experienced LNC and can be utilized as a quick reference guide as well as a thorough research tool. Any individual in the medical-legal profession could benefit from this book.

This revised edition features expanded chapters, as well as 15 new chapters:

Entry into the specialty Certification	The LNC as a Case Manager Report Preparation
Nursing Theory: Applications to Legal Nurse Consulting	Locating and Working with Expert Witnesses
Elements of Triage for Medical Malpractice	The Role of the LNC in Preparation of Technical Demonstrative Evidence
Evaluating Nursing Home Cases	Marketing
Principles of Evaluating Personal Injury Cases	Growing a Business
Common Mechanisms of Injury in Personal Injury Cases	Business Ethics
ERISA and HMO Litigation	

995 pages, hardcover, 2003 > È © p
Editor: Patricia Iyer

Member Price \$95.00
Non-Member Price \$99.95

2. Business Principles for Legal Nurse Consultants

The challenges of owning a business are many: developing a business plan, marketing services, astutely handling financing, buying the right software and hardware, hiring subcontractors and employees, developing and keeping strong relationships with clients, and avoiding ethical conflicts, to name a few. This text is designed to help legal nurse consultants with these challenges.

Table of Contents:

Chapter 1 - Getting Started as a Legal Nurse Consultant	Chapter 7 - Billing and Collections
Chapter 2 - Essentials of Marketing	Chapter 8 - Ethics and the Legal Nurse Consultant's Business
Chapter 3 - Website Design and Maintenance	Chapter 9 - Managing Change
Chapter 4 - Technology and the Office	Chapter 10 - Client Relationships

319 pages, hardcover, 2005 È ©
Editors: Patricia Iyer, Jan Aken & Kathie Condon

Member Price \$70.00
Non-Member Price \$79.95

Brochures

3. What is a Legal Nurse Consultant?

Designed to promote the exciting and varied roles of the legal nurse consultant. Send this brochure to prospective clients to educate them about the advantages of using an LNC, the services provided by LNCs, and what to look for when hiring an LNC.

> È ©

Member/Non-Member Price \$10.00/pack of 25

4. AALNC Code of Ethics and Conduct

Provides guidelines for professional performance and behavior and includes helpful interpretive discussion. Send this brochure to prospective clients to demonstrate your commitment to integrity and professionalism in legal nurse consulting.

> È ©

Member/Non-Member Price \$10.00/pack of 25

Course Recordings

These products are developed from conference recordings and are presented in course format. However, neither learning tool provides course credit or continuing education credit. These items are intended solely for your personal educational benefit.

5. Introduction To Legal Nurse Consulting

This 8-hour program provides an excellent overview of legal nurse consulting. Explore the principles and practice of legal nurse consulting and prepare to get started! Experienced LNCs discuss lawsuit processes, research, practice areas, medical record review and business principles.

Content Overview:

- | | |

AALNC
AMERICAN ASSOCIATION OF
LEGAL NURSE CONSULTANTS

AMERICAN ASSOCIATION OF LEGAL NURSE CONSULTANTS

Membership in AALNC

Membership in the American Association of Legal Nurse Consultants (AALNC) is vital to both new and experienced LNCs. AALNC is dedicated to nurses just like you. We provide the forum for beginning, intermediate, and advanced LNCs to come together, network, and learn from each other. Through annual conferences, courses, seminars, and publications, you too can learn the skills necessary to be a successful legal nurse consultant in today's world.

Who Should Join

Registered nurses who are currently practicing as legal nurse consultants or individuals, businesses, and organizations who are interested in the goals and activities of AALNC are invited to become members.

Benefits

Members of the American Association of Legal Nurse Consultants receive the following benefits:

- Access to a nationwide network of more than 3,500 members and 49 local chapters
- A subscription to the Journal of Legal Nurse Consulting, a quarterly publication that provides current information on medical, legal, and consultant practice issues
- The electronic NetworkNews, an email newsletter that informs members of the latest professional and organizational news, including new products and publications, certification, and educational opportunities
- A listing on the LNC Locator®. The LNC Locator® is a quick and convenient way for attorneys and potential employers to locate an LNC or a nurse expert witness for their litigation team
- Access to an online Membership Directory that allows members to edit their own information and to search for other AALNC members
- Educational advancement through the AALNC national conferences, educational products, online courses and more!
- Networking opportunities with professionals in similar fields, including attorneys, paralegals, legal assistants, physicians, and other specialists
- The latest information on medical-legal issues and the legal nurse consultant practice

Member Categories

Active

A Registered Nurse maintaining an active license in the US or its territories, who is working in a consulting capacity in the legal field.

Associate

A Registered Nurse maintaining an active license in the US or its territories who is interested in the goals and activities of AALNC, but has NOT worked in a consulting capacity during the previous 12 months.

Sustaining

An individual who practices law or any other individual, business, organization or facility with an interest in the goals and activities of AALNC.

Join online today at www.aalnc.org or fill out the enclosed membership application!
